ABOUT THE CONGRESS

Dear colleagues,

On behalf of the sponsor, the Faculty of Kinesiology, University of Zagreb, Croatia, along with the Congress Organizing Committee, we declare with Fantastic pleasure the forthcoming

Workshops, exhibitions and joint meetings have been proposed along with the seminar program. The social system and not as formal occasions won't be forgotten .

Since its inception, the University has been constantly growing and evolving. It includes 29 faculties, three art academies along with also the Center for Croatian Studies. Using its comprehensive programs and over 50,000 regular undergraduate and postgraduate students, the University is your most powerful educational institution in Croatia, offering a vast selection of academic programs resulting in bachelor, master and doctor degrees in the fields of arts, biomedicine, biotechnology, engineering, in addition to humanist, social and natural sciences. The University can also

be highly concentrated on study, engaging in over 50 percent of research in Croatia.

Looking forward to welcoming you in the Congress!
